AMENDED IN ASSEMBLY JUNE 8, 2004

SENATE BILL

No. 1360

Introduced by Senators Brulte and Escutia

February 18, 2004

An act to add Section 14107.12 to the Welfare and Institutions Code, relating to Medi-Cal.

LEGISLATIVE COUNSEL'S DIGEST

SB 1360, as amended, Brulte. Rewards for information: health services: *Medi-Cal*.

Existing law provides for the Medi-Cal program, which is administered by the State Department of Health Services, pursuant to which medical benefits are provided to public assistance recipients and other low-income persons.

This bill would require the ~~department~~ *Department of Justice* to pay a reward for information leading to the recovery of not less than \$100 in funds paid *for services or goods rendered* under the Medi-Cal program due to an act or omission by an individual or entity from which recovery is sought and that is the basis of a conviction of a *Medi-Cal provider of services or goods* in violation of certain criminal statutes.

Existing law provides for the California Work Opportunity and Responsibility to Kids (CalWORKs) program and other social services programs under which each county provides cash assistance and other benefits to qualified low-income families and individuals. Existing law provides for the federal Food Stamp Program, under which each county distributes food stamps provided by the federal government to eligible households. Under existing law, certain counties may elect to

participate in the County Medical Services Program for the state administration of health care services to eligible persons in the county.

This bill, subject to necessary federal approval, would provide for an income disregard for reward payments made pursuant to the bill for purposes of determining eligibility for any Medi-Cal program, the CalWORKs program, the Food Stamp Program, the County Medical Services Program, and any other means-tested public benefit program for which California has authority to establish the rules for determining eligibility.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.
